Mercy College Week 6!

**Welcome to Week 6** of the Fall 2020 semester. The fifth week of on-campus activities went well with no major incidents. **Thanks to everyone who followed all the safety guidelines. **PLEASE BE SURE TO SOCIAL DISTANCE AND WEAR YOUR MASKS!**

Our mission is to educate and inspire students to lead and to serve in the global community and by living our values of compassion, excellence, human dignity, justice, sacredness of life, and service.

This year has been fraught with the COVID-19 crisis and racial and social injustices. **This past week we celebrated Mercy Week and the life of Catherine McAuley. You all were invited to a prayer service and to tea. A gift from Catherine is to enjoy a comfortable cup of tea, and we hope you took time to enjoy and reflect on the life of our foundress, Catherine McAuley.**

It is my sincere hope that you and your families are all well!

*At this time the College is prepared for clinical/preceptor experiences at many of the Mercy Health facilities as well as other area health facilities.* All faculty and staff want to provide the best educational experience possible given the challenges we face so we are going to need everyone's assistance! **Safety and the health and well-being of everyone is first and foremost our top priority, which means that all safety plans must be followed to ensure a healthy environment.**
