Welcome to Week Three of Summer 2021 semester. **This is the third week of on-campus activities that will take place in the skills labs, science labs, and simulation settings. Students will participate in their clinical and practicum experiences as directed by their faculty members.**

Our college mission is to educate and inspire students to lead and to serve in the global community by living our values of compassion, excellence, human dignity, justice, sacredness of life, and service.

In the words of Catherine McAuley:

“We should be shining lamps, giving light to all around us.”

A Christian Memorial Day Prayer

Gracious God,
On this Memorial Day, we pray for those who courageously laid down their lives for the cause of freedom. May the examples of their sacrifice inspire in us the selfless love of Your Son, our Lord Jesus Christ. Bless the families of our fallen troops, and fill their homes and their lives with Your strength and peace.
In union with people of goodwill of every nation, embolden us to answer the call to work for peace and justice, and thus, seek an end to violence and conflict around the globe.
We ask this through your name. Amen.
